Electronic TDS Return in just four clicks

## USB Dongle for activation

### It is fast and easy

- Install the software from CD and connect Dongle to USB port to activate eTdsWizard.
- No more KeyDisk floppies or hassles of internet based activation.

### It offers mobility

- The software activation is not bound to one PC and operating system. So if you want to work at home on your laptop or at a different office, just install and connect the Dongle.
- No more uninstall procedures or surrendering license on internet.

### It ensures uninterrupted use

- The software activation is unaffected by operating system upgrade, re-installation, virus attacks or hard disk crashes.

## Advantage Support

### No restrictions

- When you buy eTdsWizard 2008-09, you can also use for 2007-08, 2006-07 and 2005-2006.
- There are no restrictions for number of returns

### Call Centre Support

- eTdsWizard is professionally supported by 30-lines Call Centre, which is managed by support executives who have in-depth software knowledge.
- The calls are monitored for quality and scaled-up if required.

### Training Centre

- Fast Facts and Tax Print have provided a Training Centre. The centre is open on all working days (except Sundays & Bank holidays).
- All the Prospective and actual users of eTdsWizard can visit the Training Centre
